## 2.5 Downtown / Tony Hatch

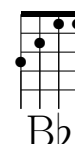

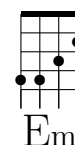

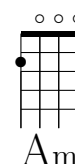

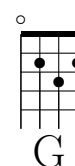

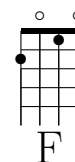

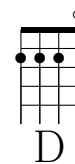

2 chords

- Verse When you're alone, And life is making you lonely, You  
 can always go downtown When you've got worries, All the  
 noise and the hurry Seems to help, I know, downtown Bridge  
 Just listen to the music of the traffic in the city Linger on  
 the sidewalk where the neon signs are pretty, How can you  
 lose? The lights are much brighter there You can for-get all  
 your troubles, forget all your cares and go Chorus Down  
 town, things'll be great when you're Downtown, no finer place  
 for sure Downtown, everything's waiting for you (Downtown)  
 Don't hang around And let your problems surround you There  
 are movie shows downtown Maybe you know Some little  
 places to go to Where they never close downtown Just listen to  
 the rhythm of a gentle bossanova You'll be dancing with 'em  
 too before the night is over, Happy again The lights are much  
 brighter there You can forget all your troubles, forget all your  
 cares and go Downtown, where all the lights are bright,

### 3.3 The Times They Are a-Changin' / Bob Dylan

2 Come gather round people wherever you roam

And admit that the waters around you have grown

4 And accept it that soon you'll be drenched to the bone

If your time to you is worth savin'

6 So you better start swimming or you'll sink like a stone

For the times, they are a-chang-in'

8

Come writers and critics who prophesise with your pen

10 And keep your eyes wide the chance won't come again

And don't speak too soon for the wheel's still in spin

12 And there's no tellin' who that it's namin'

For the loser now will be later to win

14 For the times they are a-changin'

16 Come mothers and fathers throughout the land

And don't criticize what you don't under stand

18 Your sons and your daughters are beyond your command

G Am D  
Your old road is rapidly agin'

2 D C G D  
Please get out of the new one if you can't lend a hand

G C D G  
For the times they are a- changin'

4

G Em C G  
Come senators, congressmen please heed the call

6 G Em C D  
Don't stand in the doorway, don't block up the hall

G Em C G  
For he that gets hurt will be he who has stalled

8 G Am D  
There's a battle out side and it's ragin'

D C G D  
It'll soon shake your windows and rattle your walls

10 G C D G  
For the times they are a- changin'

12 G Em C G  
The line it is drawn the curse it is cast

G Em C D  
The slow one now will later be fast

14 G Em C G  
As the present now will later be past

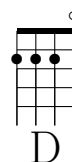

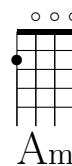

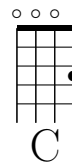

G Am D  
The order is rapidly fadin'

16 D C G D  
And the first one now will later be last

G C D G  
For the times they are a- changin'

- Me name is William Harker I'm a rake and a roarin' blade
- 4 Revelry is my delight and roguery's me trade If you chuck a penny in the ole grey goose you're sure to hit a nail There's no one that I have done, no friendship I've betrayed CHORUS
- And it's hold me hand me hearties, step with the heel and toe Rolling down, strolling down to the public house we'll go We've a flute and a fiddle and a derry down diddle, and a rattle on the ole banjo Rolling down, strolling down to the public house we'll go VERSE 2 I've kissed some girls in Belgium, I've cuddled some girls in Spain But the girls I kiss on a Saturday night are the girls I'd kiss again When we cut a caper on the bar room floor for neither lust nor gain If we're not lovers when we're homeward bound, it's good friends we'll remain »;Repeat CHORUS«; VERSE 3 I've got a dog named Barker, he likes a drop of beer He gets right drunk, rolls on the floor and he grins from ear to ear And by day you'll see us walking over woodland, hill and vale Every night we'll both get tight on Mrs Sturgen's ale INSTRUMENTAL - / / / / / / / / / / VERSE 4 Now some like a

cool clear larger, others like a bottle of pale The boys all titter  
 2 at a pint of bitter and some drink Anstell's ale (God help  
 them!) I'm pegging out for a jet black stout, it's beauty to  
 4 aspire With me hand the bar I'll swear Ooo-arr! I'll drink  
 it till I die »;Repeat CHORUS«; (slow down at last line to  
 6 end)
